S. C. MATHUR

Collector

Calcutta, the 12th August 1957

No. 10/1957—In exercise of the powers conferred by Rule 233 read with Rule 223 of the Central Excise Rules, 1944, I hereby direct that warehouse licensees (or warehouse keepers) should maintain the Stock Card in the form appended below in respect of unmanufactured tobacco.

Stock Card

Card Sl. No.	Serial No. and date in warehouse register	Kind and quality of tobacco and local name	Name and address of depositor/ licensee	Date of first warehousing
--------------	---	--	---	---------------------------

(v) Only the total weight of the whole consignment should be entered in a stock card. Weights of individual packages need not be shown in it.

(vi) Stock cards must be placed on or near the consignments to which they relate. Alternatively, they may be kept in a loose-leaf register, systematically filed in the order or their "card serial numbers"; a stock ledger with a separate opening for each consignment, and maintained in the form prescribed in para 1 above, is also permissible. Stock-labels showing the "card serial numbers" and the "serial number and date in the warehouse register" must at any rate be fastened to the consignments to enable their identification with the stock card.

(vii) Consignments which are undergoing process need not be covered by a stock-card in the above form. A card must, however, be placed near such consignments showing thereon (a) the serial No. assigned to the process in Part II of the warehouse register, and (b) the total net weight of the tobacco in process as entered in column 4 of this part.

(viii) When consignments have been issued in full (for processing and/or clearance) the relative stock cards must be systematically filed in the warehouses and preserved for 3 years from the date of final clearance of the consignment.

The 19th August 1957

No. 11/1957—Under Rule 233 read with Rule 50 of Central Excise Rules, 1944, I hereby direct that every manufacturer of vegetable non-essential oils, who issues filter cake either for his own use or for the use of any other person, shall furnish the following information, in duplicate, to the Central Excise Officer posted to the oil factory, within 24 hours of the issue of the consignment:—

- (i) Kind and quality of the filter cake.
- (ii) Quantity issued.
- (iii) Date of issue.
- (iv) Name and address of the person to whom issued.
- (v) Purpose for which issued.
- (vi) Analytical data of the material.

The 21st August 1957

No. 12/1957—In exercise of powers conferred by Rule 233 of Central Excise Rules, 1944, the following supplemental instructions are issued viz:—

- (i) Manufacturers of vegetable non-essential oils who store oil in storage tanks and maintain their accounts of production on the basis of dips shall maintain a 'dip register' in the form subjoined showing the particulars of dips taken in each tank separately.
- (ii) Dips shall be taken daily in the morning before starting operations for the day and again after each removal from and receipt into storage tanks is completed.
- (iii) Simultaneous receipt into and issue of oils from the same tank shall not be allowed.
- (iv) The 'dip register' shall be produced to the Factory Officer on his visit to the mill.

Record of dips

Name of oil mill..... Tank No.
 L. 4. No. Dimension.....
 Address Quantity per Cft. for
 each kind of oil.....

Date	Kind of oil stored	Time (Dip taken)	Reading	Quantity ascertained	Signature of Agent of Factory	Remarks
1	2	3	4	5	6	7

2. In maintaining the stock cards the following shall also be observed.

(i) In cases where different varieties (e.g. whole leaf grade, dust etc.) emerge from a single process denoted by a single serial number in Part II of the Register, in form W.R.G.1/W.R.G.2, a separate stock-card must be opened for each variety.

(ii) Where a stack of loose tobacco is made up of several consignments which cannot physically be demarcated from one another, a single stock card may be maintained for each such stack. On stock cards of this description, "serial number and date in warehouse Register" must be substituted for "marks and number (if in packages)" in column 1, and the particulars of each of the consignments comprising the stack must be entered separately in the card; the balance must be struck in columns 10 and 11 against each entry. The heading, "serial No. and date in warehouse register" at the top of the stock card must be deleted, and in the space provided under it, the words "Loose Tobacco" must be entered.

(iii) Stock cards must be numbered serially, and the serial number of the card must be reproduced in the warehouse register against the relative entry. Where several stock cards represent the same lot of package (denoted by a single Sl. No. in the warehouse register), those cards must be distinguished from one another by suffixing a different letter (A, B, C) to the "Card serial number" of each card.

(iv) The "Serial number and date in warehouse register" must be indicated with the prefix "I/....." or "II/....." according as the consignment relates to Part I or Part II of the warehouse Register. In the latter case, the date should be the date of completion of process as shown in Column 7, Part II of the Register.
